4. Old business:

- CDCC/ Health fair: Patricia. This will be the 10th year. Theme for this year's conference is Living and Dying with Dignity, issues around end of life and planning, Agrace will be a main sponsor. WI Women's Health Foundation has been funding us for 10 years and hoping for some funding from them again this year. Contacting speakers will offer some education to the kids at the same time regarding nutrition, exercise and art/relaxation. MSCR will provide the exercise part. Will also feature information and completion of Advance Directives, discussed with St. Mary social workers about cultural issues. Will also promote Advance Directive on radio programs. Flyers will go out later today or tomorrow. Fernando passed around signup sheet for duties related to the fair. Passing along the map of the area as well. Discussed the map layout and services provided. Possible pharmacist from St. Vincent de Paul or ARCW. Patricia is finalizing the agenda for the day. Vendors will be set up by 1015am and be there just past 11am and then participants will go to the workshops. Leslie offered to put together bags if you want to put information in the bags, let her know if you want to put information in the bags. If anyone is interested in learning how to run/set-up the event, please contact Fernando. Questions-email Patricia.
